Read and understand these instructions **BEFORE** attempting to install this product.

**Caution:** Do not touch cap when hot. Use only recommended oil as listed in owner's manual.

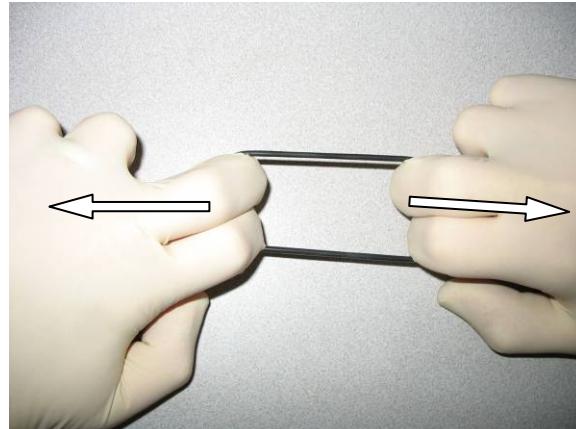

#### 1) Getting Started

- Make sure vehicle is parked on a level surface.
- If engine has run within the past two hours let it cool down.
- Set the parking brake
- Raise and support the hood

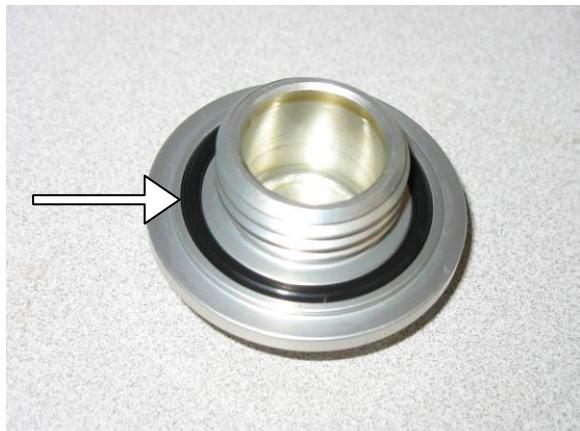

#### 2) Preparation and Installation

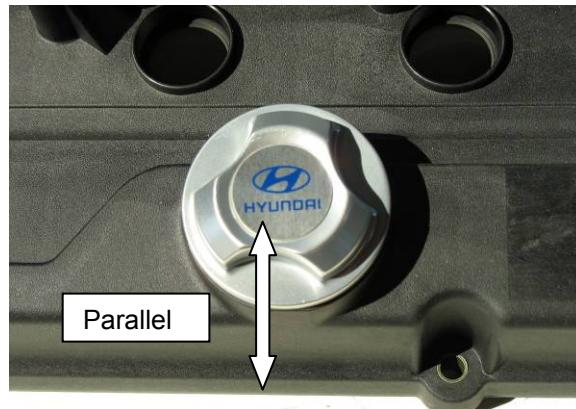

a) Remove the original oil filler cap.

b) Gently stretch the supplied O ring.

c) Install O ring in oil cap.

c) Hand tighten the cap. Apply the Hyundai decal after first aligning the text with the front of the valve cover.
